Amicable Arbitration to establish the line between lands of plaintiff and defendant situate in Rockdale Township, being the northern part of the west line of Track No. 1548, VIII Donation District, 53 rods in length.

Nov. 13, 1919 Agreement of parties filed, submitting all matters in said controversy to the award of Clyde L. Hill, of Erie, Pa., who shall survey the track line between the tracts of which said farms form a part, and determine and mark the line upon the ground by some reasonably permanent markers; and further agreeing that this submission be made a rule of Court, agreeably to the act of Assembly in such case made and provided; and also that each of the parties shall pay one half the costs incurred by these proceedings.

Nov. 13, 1919 Report and Award filed, being as follows:

And now, October 31, 1919, I, the arbitrator named in the above stated case, having met the parties upon the premises in dispute on Wednesday, the 29th day of October, 1919, at 11 o'clock A. M., pursuant to the submission hereto attached, and after having given five days written notice to each of the parties, and after having surveyed said premises and heard the statements of the respective parties and other parties produced by them, do award as follows: The land of Matthew Landers is located in Rockdale Township, Crawford County, Pa., and is the north portion of Track 1548. The land of Summer Gray is situated on the adjoining track west and adjoins the land of Matthew Landers along said track line for about 53 rods. I found on the ground a substantial rail fence extending north between Track 1522-1546, from the northwest corner of Track 1548, on which Track the farm of Matthew Landers is located, and it was proved by evidence given by George Wilcox, Asher Doeter and O. H. Kellogg, residents of this vicinity, that this fence had existed in its present location for twenty-seven years or more to their personal knowledge. I also found a substantial rail fence running north from the southwest line of Track 1548, between the property of O. H. Kellogg and Asher Doeter for about 10 rods, and being on the west line of Track 1548 which fence according to evidence, given by O. H. Kellogg and Asher Doeter, had been located in the same place for over thirty years.

The line in dispute between Summer Gray and Matthew Landers is about 53 rods in length, extending from the northwest corner of Track No. 1548, south along the west line of said tract to the public highway, and is a portion of the west line of Track 1548.

There being no other substantial monument on the ground, I established this tract line by taking the center of the fence at the

In Memoriam

Isaac Mondorean, Esq.
a Member of the Bar
of Crawford County.
Entered Dec. 26, 1919.

Pro. Speeley 1220 320 # paid 3.00

Dec. 26, 1919, Memorial prepared by the Committee of the Crawford County Bar Association presented and read in Open Court, and ordered spread upon the record in the office of the Prothonotary, and copy furnished the family.

Per Curiam.

Resolutions drafted by a Committee appointed by the Crawford County Bar Association, held at the Law Library, December 15, 1919, upon the death of Isaac Mondorean Esquire.

Isaac Mondorean was born in Mead Township, in this county, on April 9, 1856, and passed his entire life in the county. He died at his home in the city of Meadville, on Saturday Morning, December 13, 1919.

Mr. Mondorean was one of the active practitioners in the Courts of this county for more than thirty-two years, from the time of his admission to practice in May 1887, to within ten days of his death. His legal business was, more in the line of office business than in the trial of cases, and that it was done satisfactorily to practically all of his clients, is shown by the fact that it continued large until the day of his death.

At the time of his admission to the bar, he was thirty-one years of age, and had a family. Like many other successful lawyers who in that situation have found it advantageous to do so, he combined real estate business for himself and others with his legal business, with the result that since then Mr. Mondorean was an unusually busy man. In fact his whole life as a boy and man was a busy one. Born on a farm in this county nearly sixty-four years ago, it was necessary for him like most of the farmer's boys of that time, to work early and late; and he did this work well; and then, like many another boy from the farm, he taught school, and by that and other work, secured the education necessary for his chosen life work. Whatever success he achieved in that work, was because of his perseverence against obstacles which must have seemed to him, at times, as almost insurmountable, and his efforts and struggles to overcome them are worthy of emulation by others who would succeed.

Mr. Mondorean, from his large practice in the Orphans Court, was brought frequently in contact with his fellow members of the bar, and he was always found to be courteous and obliging in the work of his profession. While still in the most active years of his work, he has been called from us, and the memory of his courtesy and kindliness will not soon be forgotten.

Respectfully submitted,
