As a young boy, Mr. Webb displayed an unusually talented and brilliant mind, showing an earnest desire to obtain an education. After attending the township public schools in West Shenango Township, he later attended Conneautville High School and was graduated from there in June, 1885.

Shortly thereafter, Mr. Webb took up teaching and was soon elected Principal of the Conneaut Lake Schools, where served for two full terms. Mr. Webb then attended Allegheny College for one year, and a short time later attended Ohio Normal University, and was graduated there.

About this time, Mr. Webb decided to take up the study of law and attended Northwestern University Law School in Chicago, and was graduated from that school in 1893, and promptly admitted to practice in Cook County, State of Illinois, and was a member of the Bar in Cook County.

On the minutes of the Court records of Crawford County, under date of September 10, 1894, we find the following:

And now, September 10, 1894, on motion of J. P. Ray, Chairman of the Examining Committee in open Court, Curtis L. Webb, Esquire, a member of the Bar of Illinois Supreme Court, was Sworn in open Court and admitted to practice law in the several Courts of Crawford County.

"C. R. Slocum, Prothonotary."

Mr. Webb was named Deputy Prothonotary in 1897 and served for a period of six years, which position he left to become Assistant Treasurer of the Crawford County Trust Company, where he served for several years. Mr. Webb served as a practitioner and practiced law in the City of Meadville for a period of thirty-five years. During this time Mr. Webb secured a large clientele, and was widely known throughout the county. Many of the poor of the county were served by Mr. Webb in his capacity, very graciously, without remuneration, and without thought thereof. This, the committee believes, endeared Mr. Webb to a large circle of friends who knew of his patience and generosity in dealing with this unfortunate class.

Continued on next page

Early in life Mr. Webb identified himself with the Democratic Party, and was a faithful endorser and worker in the Party ranks. For years he was depended upon as the real support of the Party, and his advice in political matters was sought by members of the Party throughout the County.

Curtis L. Webb's thoughtfulness and assistance to the young members of the Bar was marked and in his many years of practice, he found time to assist and advise these young practitioners, taking hours of his time, if necessary, to straighten out the problems or assist with the legal trials of these young lawyers.

In April, 1935, Mr. Webb was appointed Federal Referee in Bankruptcy by the United States District Court. Mr. Webb was also known as a family man, being a devoted husband and directly interested in all the activities of his children watching their development and educational rise to positions of distinction in this community.

With the passing of Mr. Webb, we feel that the Crawford County Bar Association has lost a patient and able practitioner, one who was devoted to the ethics of the legal fraternity, one who was devotedly interested in promoting and assisting the younger members of the Bar, and one whose friendly and fraternal feelings were manifested continually in a happy, friendly and smiling approach to the many problems with which he was confronted.

The Committee further moves that this Memorial be spread upon the minutes of the Court proceedings, and a copy thereof forwarded to the immediate family.

Sept. 4, 1937 Petition for Mandamus presented to Hon. O. Clare Kent, P. J.

Now, September 4th, 1937 upon presentation of the foregoing petition, a Rule is granted upon the Respondent, Commissioners of Crawford County, to show cause why error, fraud or mistake in the petition for a referendum on the sale of liquor in the Borough of Springboro, filed July 16th, 1937 should not be remedied. Said Rule is returnable forthwith, and a hearing on the same is set for Tuesday, September 7th, 1937, at ten o'clock A.M.

Per Curiam,
O. Clare Kent, P.J.

And now Sept 7 1937 we are Satisfied from the evidence that there has been a mistake in relation to these petitions the evidence clearly shows that a mistake has been made. There is no evidence however to show by whom the mistake was made. As we view the matter there is no evidence to involve the Co Commissioners in relation to the making of the mistake Being thus Convinced we make the rule absolute and Hold that the original petition as shown by the evidence asking for a referendum vote on the liquor license Contained 103 Signatures and that the original petition asking for referendum vote on the Sale of malt beverages and beer Contained 125 Signatures. It now appearing that the liquor petition Contains 77 names and the beer petition Contains 151 names a difference of 26 Signers and this number of Signers being on a paper the Size of that of the entire liquor petition it is order that the Sheet marked "X" attached to Exhibit "A" be removed and attached to Exhibit "B" Exhibit "B" being the petition which in our opinion the evidence shows it should be attached to. By this Correction according to the evidence the liquor petition should Contain the names of 103 Signers and the beer petition 125 Signers as of the date of its filing with the Co Commissioners Namely July 16 1937. And we direct that the Co Commissioners in their further Consideration of the matter Consider these petitions as affected by the Change ordered by the Court.
