Adams, and after carefully considering the matters alleged in said petition, the proofs of service filed in this case, a careful consideration of the testimony taken in the case in open Court, it appearing to the Court that ten (10) days written notice of said hearing was given to the said William N. On Arg't. List for Sept. Term, 1944; No. 60.
Sept. 25, 1944 Power of Attorney from respondent to Charles B. Stegner, Esq. filed

October 5, 1944. It clearly appears that the respondent, William A. Wright, is in the Military Service of the United States of America and while a general appearance is entered by virtue of Power of Attorney same does not comply with the Soldiers and Sailors Civil Relief Act," hence a judgment or decree cannot be entered herein at this time and the case is continued during duration of the war and for ninety days thereafter without prejudice to either party hereto.

Per Curiam, O. Clare Kent P.J.

November 25, 1944, ~~Testimony and~~ Supplemental Report of Master filed.
On Arg't. List for Nov. Term, 1944; No. 36.

Now December 8, 1944, on October 5, 1944, this case was continued for failure to comply with requirements of "Soldiers and Sailors Civil Relief Act," which said continuance has never been removed, presently the record shows that no appearance was ever entered for respondent, who is in the military service, either personally or by attorney; neither does it appear that the case was ever referred back to the Master for further hearing etc.; Masters purported supplemental Report was never filed of record, any reconsideration by the Master was ever ordered by the Court, and the case is not rightly on this argument list, hence the order of Court of Oct. 5, 1944 must still prevail in this case.

Of No. 142 Feb. Term, 1944
November 15, 1945, Motion to Refer back to Master filed.

Order:— Kent P.J. This case appeared upon the argument list for May Term 1945. The record shows that the Master's report was filed May 26, 1945, that it appears to be a contested case, and the Court entered the following Order: "June 5, 1945, this case is not properly upon the list and cannot be considered at this time. It is not an exparte proceeding. The record shows that on May 8, 1944 respondent appeared by attorneys. The appearance has never been withdrawn and the rule of court as to filing Master's report has never been complied with, and further, we call attention to the fact that the case was listed on the argument Watchbook for hearing before the Master's report was filed." The case appeared on the argument list for September Term 1945 but was not considered by the Court for the reason that no record on the case was before the Court. When this case appears properly upon the list and the record is delivered to the Court it will be considered. We see no reason in this case for a supplemental report on the part of the Master other than to follow the rules of court in relation to the filing of his report. Accordingly the matter is referred back to the Master in order that the proper procedure may be completed. Per Curiam,
