TRADE MARK

TO LOCATE NAMES IN INDEX

Determine first key-letter following initial letter in Family Name. Find section number in the column headed by said key-letter, opposite given name initial desired. Names not containing a key-letter will be located under "Misc." Corporations, etc., will be located under the first key-letter following the initial letter in the first word of the name, or if no key-letter, under "Misc.". Always omit the article "The."

Given Name Initials	Key Letters and Section Numbers					
	l	m	n	r	t	Misc.

RUSSELL INDEX COMPANY, PITTSBURGH, PA.

RUSSELL INDEX COMPANY
PITTSBURGH, PA.

Form 509

NOTICE—All firm or corporate names beginning with the name of an individual are indexed according to the surname of the individual. Example: "George Washington Fire Insurance Co." indexed as "Washington, George, Fire Insurance Co." under "Corps., Etc."

All municipal or quasi-municipal corporations are indexed according to the distinctive municipal name. Examples: "City of Pittsburgh" indexed as "Pittsburgh, City of"; "School District of the Township of Hampton" indexed as "Hampton Township School District."

Russell Index Company, Pittsburgh, Pa.
