Complaint in Action To Quiet Title for certain oil and gas leases situated in Erie and Crawford Counties, Pennsylvania set forth in Exhibit A, attached hereto and made a part hereof prior to December 22, 1961.

2 Copies attested.

October 17, 1966 Affidavit of Service filed.

Paul Dreyer being duly sworn deposes and says, I am over 21 years of age, not a party to this action and reside in the City and State of New York. That on the 20 day of September 1966 at 41 Garden Place Borough of Brooklyn City of New York. I served the summons and complaint annexed hereto upon Lawson H. Stone and Jane Hunter Stone the defendants therein named by delivering to and leaving personally with said defendants a true copy of each thereof. Deponent further states that at the time of service I knew the persons so served as aforesaid to be the same persons mentioned and described in the said summons and complaint as the defendants in this action.

Deponent further states that at the time I delivered said summons and complaint to the defendant, Lorein, I asked him whether he was in the service of the United States Government or in the military service of any of the nations allied with the United States engaged in the prosecution of the present war in any capacity whatsoever and whether he had been ordered to report for induction under the Selective Service and Training Act of 1940 and the 1942 Amendments thereto. The defendant answered that he was not in the military service of the United States Government or any of its allies, and that he had not been called for induction in the military forces of the United States Government and its allied nations.

Defendant was clad in ordinary civilian clothes and wore no uniform of any kind.

Upon information and belief based upon the conversations and observations as aforesaid I aver that defendant is not in the military service of the United States Government or any of its allies at the present time as that term is used in the Act of Congress known as "The Soldiers and Sailors Civilian Relief Act"

Amended Complaint in accordance with the Rules of Civil Procedure and as orally appears to the plaintiff at the time of argument.

The plaintiff's Preliminary Objections to the defendants Preliminary Objections are overruled.

The defendants' Objections to the plaintiff's Interrogatories filed on February 10, 1967 is sustained for the reason that neither the Complaint or the Amended Complaint set forth a coherent cause of action and said Interrogatories were filed before the defendants Preliminary Objections had been resolved.

The paper filed February 17, 1967 by the plaintiff entitled, "Demurrer to Defendants' Objection to Plaintiffs Interrogatories" is overruled as not being procedurally proper.

The paper filed by the plaintiff on February 20, 1967 merely headed "For Relief to Serve Interrogatories on Fred Wiggfield Jr., the Secretary of the Pennsylvania Banking Department - - - " is denied as not being procedurally proper.

The paper filed by the plaintiff on February 24, 1967 headed, "Supplement to Plaintiff's Objections to Defendants Objections to Plaintiffs Interrogatories" which purports to question the right of the attorney for the defendant to represent said defendant is overruled.

The purpose of the above Orders is to clear the record in the hope that the plaintiff will file a proper Complaint to which the defendant may file appropriate pleadings, either by way of an answer raising an issue which may properly be submitted to a jury or preliminary objections which can be passed upon by the Court.

Ursula A. Hill
vs.
Earl S. Hill

Record Court from Page 169
Of No 20 May Term 1966

August 11, 1966 Order filed. S. Joseph Thomas, J.

S. Joseph Thomas, J.

It appears in this action that the husband defendant is in a mental institution, that he was represented by a guardian ad litem, and from the testimony is undoubtedly incompetent. Under the Act of May 2, 1929, P.L. 1237 Section 45 (Purdon's Statutes Vol. 23, Section 45), permanent alimony may be awarded in a divorce action, where the defendant is insane, and as would apply to this case, the Act provides as follows:

"If the wife be the petitioner, and have sufficient means, the court, or the judge, may provide for the support of the insane husband, as provided in this section for an insane wife, if the insane husband has not sufficient estate in his own right for his support."

Since it is entirely possible that the defendant is or could become a public charge, the Court feels that a determination should be made as to the liability or non-liability of the wife for permanent alimony under this section.

This case is therefore referred back to the Master for the taking of additional testimony to determine the financial means of the plaintiff, and what estate, if any, the defendant has, in his own right, and report his findings to the Court.

Dated this eleventh day of August 1966

By Order of the Court.

And now, this tenth day of October, 1966 after due consideration, a divorce is decreed as prayed for and the Prothonotary is directed to enter the appropriate decree. In view of the fact that the defendant, Earl S. Hill's financial requirements are being met by the Veterans Administration, and also, in view of the fact that the plaintiff, Ursula A. Hill, does not have sufficient means, independently of allowances for the minor children of the parties, no Order is entered for the support of the defendant.
