So answers,

N. G. Eckert
Chief Deputy Sheriff

Alfred A. Grell, Sheriff.

May 15, 1972 Order Filed. And Now, May 4, 1972, it appears after the taking of testimony that the petitioner in this action one Jimmy L. Atnip, has been in Crawford County since at least Tuesday, May 2, 1972, and has been visiting his Children and saw his former wife and these Children at 1:30 P.M., one hour before this hearing started, in the Crawford County Court House. Through his counsel, the Court is advised the Mr. Atnip did not desire to appear at the hearing on this petition because there is presently a civil action pending against him to collect back alimony in the amount of $5,000.00, and the Complaint is lodged with the Sheriff for service upon Mr. Atnip when he can be found in Crawford County. In view of the fact Mr. Atnip is a resident of Texas, he chooses not to submit himself to the jurisdiction of the Courts of Crawford County for this civil action and elected not to appear on his own behalf in support of this petition. In view of the fact that the Court does not have sufficient information in its hands to make an intelligent decision and in view of the fact that allegations have been made by the mother of the Children that it has been a ten (10) years since the petitioner had a meaningful relationship with these Children, the Court refuses to grant custody of the Children to the father and also refuses to enter any

(Cont on Margin)

order at this time providing for their visit with their father in the state of Texas. It further appear that when he appeared in the City of Meadville on or about May 2, 1972 and May 3, 1972, that satisfactory arrangements were made by the mother of the Children to have him visit the Children and have the Children with him for a meaningful period of time. It is further declared to the Court by the mother of said Children that she will continue to accord him reasonable visitation rights with the Children when and if he chooses to visit them at their residence in the City of Meadville, Pennsylvania. The Court is unwilling at this time to grant any relief on this petition but continues this Case generally without final adjudication as above noted, to afford the petitioner Jimmy L. Atnip the opportunity to appear before this Court in support of the allegations of his petition at such time as further hearing may be requested and set in this matter.

On Spring Trial List 1976; No. 11

Apr 6, 1976 Pretrial Minutes and Order filed; And Now, Mar 30, 1976, at pretrial hearing and conference it is ordered and directed as follows.

On Behalf of the Plaintiffs.

1. The Motion filed on behalf of Libelled Steel Co. for Summary Judgement is denied and Exceptions is noted for said defendant.

2. The information requested by the Plaintiffs from the Pittsburgh Plate Glass Co. and submitted to the Court for review in camera has been reviewed and while the Defendant Pittsburgh Plate Glass Co. theary is that it does not shed any light on the question of control the Court is of the opinion that it is at least arguable and we are therefore, now submitting said information to counsel for the Plaintiff. Exceptions are noted for Pittsburgh Plate Glass Co.

3. There being no objection, the request of Plaintiffs counsel that the medical bills be admitted in evidence without proof of the fact that they are fair and reasonable is granted upon condition that the Plaintiff establish that said bills were necessary by the accident or incident involved in this case.

4. It is ordered and directed that the reference in the video tape of Doctor Manner to Workmen's Compensation be deleted. For this purpose the following portions of the answer of the Doctor appearing on Page 32 of the transcribed video tape deposition shall be deleted by the operator, to-wit. the words "Workmens Compensation" on the second line of the answer and the words "for the State of Penna" beginning on the second line and ending on the third line of the answer so that the allowable answer in Court at Trial shall be as follows.

The sheet to which you are referring is a reporting form and that information is taken from the ——— that's dictated in my office and the information on that is taken from the history sheet from the hospital which we have previously discussed."

Ten exception is noted for each and every Defendant.

5. It is understood that the Court will view the video tape deposition of Dr. Richard A. Wilson in the absence of the jury and make appropriate rulings on objections raised at the video tape deposition.

6. It is Ordered and directed that the Pittsburgh Plate Glass Co. permit the attorneys for the Plaintiffs to go onto their property for the purpose of making measurements and determining also with reference to certain photographs in the possession of the Plaintiffs.

7. All counsel request and the Court therefore grants the request that the jurors be selected by individual voir dire.

On Behalf of the Defendants.

8. After the completion of the Plaintiff's case the Defendant shall proceed to introduce their evidence as follows. Each Defendant will be required to introduce his evidence in the order in which they are named in the caption. Therefore, Pittsburgh Plate Glass Co., also known as PPG Ind.,

shall proceed first and the others in the order named.

9. All Defendants, except PPG Industries and Penn Erection and Rigging Co., have requested a view, which the Court will take under consideration at trial, although preliminarily the Court is of the opinion that because of the changes in construction that a view at the time of the trial would be of little value to the jury in a resolution of this case.

10. Attorney John McLaughlin, on behalf of Turner Construction Co. has requested, and counsels have agreed, that each party shall notify the other parties in advance of the names of the witnesses who will be called, or probably called, the following day so that counsel may prepare for cross examination and the use of depositions in connection therewith.

11. For the benefit of out of the County counsel the suggested court hours to which the Court agrees will be from 9:00 o'clock am until noon recess, and from following the noon recess to 4:00 o'clock pm, or approximately that hour.

unable to agree as to the exact dates for said visit, the Court designates the month of July as the month for the visit.

In regard to said visit, it shall be the responsibility of the father to pick the child up at the residence of the mother and it shall be the responsibility of the mother to pick the child up at the end of said visit to return to her custody.

In the event the mother returns to this area for a temporary period, she shall give the father of the child at least ten (10) days notice of her intention to return to this area and satisfactory arrangements will be made for the father to visit with the child or have the child with him for brief periods of time during the time the mother is visiting relatives or others in this area.

In the event the mother and her new husband do not move to the state of Idaho or after moving there return to residence in the Northwestern Pennsylvania area, the parties will make satisfactory arrangements for more frequent visits and if the parties cannot make said mutual satisfactory arrangements, the Court will entertain a petition to set these visitation rights.

The parties mutually agree to make satisfactory arrangements for the child to visit medical doctors if the need arises and the mother has no objection to the father providing medical service for the child when the child is in his custody.

The mother will keep the father advised of any change in her residence, the physical condition and general development of the child. She shall permit the father to have telephone conversation with the child at reasonable times.

The Court notes at this time that by order of July 22, 1971, the father is contributing support for the child through the Domestic Relations Office of Crawford County, who forwards the said payments to the Department of Public Welfare. In view of the fact that the mother is at this time receiving assistance from the Welfare Department, at such time as the mother no longer receives assistance from the Welfare Department, the Domestic Relations Office will forward said payments for the child direct to the mother and the mother will keep the Domestic Relations Office advised of her current address. Payments of support will be suspended during the period of time that the child is in the custody of the father for the aforesaid thirty (30) day visit.

It shall be a further condition of this order that the father shall continue to carry the child as a dependent under

his groups employment medical plan and shall furnish the Mother with the name and group number of said plan.

By agreement of the parties, the father will not claim the child as a dependent for income tax purposes for the calendar year 1972 or 1973. After said time, the parties will review the situation and reach further agreement in this regard.

O.D. 13, 1977, Petition For Involuntary Treatment filed.

Oct. 13, 1977, Order filed: It appears that numerous petitions regarding the above patients at Warrens State Hospital have been filed and acted upon by the Mental Health Review Officer and that there are newly filed petitions upon which hearings have not been conducted in accord with the mandates of the Mental Health Act because the physicians treating said patients have advised the Mental Health Review Officer there is no change since the prior hearing.

In view of the fact the Mental Health Review Office has found that the patients are not severly mentally disabled within the definitions of the Mental Health Act, he has recommended alternative placement in nursing home care. The hospital advises that due to the age and physical conditions of the patients, they are not able to survive outside of a closely structured setting affording nursing home type care.

In spite of the best efforts of the local Mental Health administrator and the community placement staff at the local Mental Health Center, nursing home placements cannot be arranged for a variety of reasons. The Court notes the patients are currently on nursing home waiting lists, but the possible future placement at the community level in nursing homes is uncertain.

Accordingly, in the best interest of the patients, the Court directs that Warren State Hospital retain said patients in their care and custody until further order of this Court. Counsel for the patients, the local administrator, the staff at the state hospital, relatives of the patients or any guardian to be appointed in the future, or the Mental Health Review Officer may petition the Court for further hearing regarding any or all of the above patients at any time.

Paul E. Thomas

years of law practice, his offices were located in the Northwest Bank Building, formerly known as the Crawford County Trust Company Building.

Mr. Thomas had a long and close association with the Crawford County Trust Company which eventually became the Northwest Pennsylvania Bank & Trust Company as a result of various mergers. He was first elected a director of the Crawford County Trust Company in 1937 and continued in that capacity until ill health precluded his running for re-election in 1970 and became a director emeritus. He also served on the Advisory Board for the Meadville Branch of the Northwest Bank after the Crawford County Trust Company's merger into that institution. His wise counsel was sought by several generations of bank officers of the Crawford County Trust Company and its successors who knew that his door was always open for them to come in and discuss their problems whether they be banking, legal or personal.

In his earlier years, Mr. Thomas was an active member of the Democratic party and served as the Democratic County Chairman of Crawford County from 1934 to 1937. He became disillusioned, however, with the late President Franklin D. Roosevelt at the time of the famous Supreme Court packing argument in 1937, and eventually changed his political affiliation and became as ardent a believer in Republican politics as he had been in those of the Democratic party.

Although somewhat small of stature, Mr. Thomas was always an ardent athlete. He played varsity basketball for Allegheny College during his years as a student and was an active golfer so long as his physical strength permitted him to continue in that sport. He won the club championship at the Meadville Country Club in 1940 and raised two sons, each of whom have been repeated Country Club champions.

Paul Thomas and his wife, Clarissa, sought and found their "Walden Pond" at Birch Lodge on the shores of Buckshot Lake, Plevna, Ontario. Here the pressures of an active law practice could be briefly forgotten in a different competitiveness, man versus the elusive lake trout and the wily bass. For years at every possible opportunity Paul and his wife, often accompanied by Meadville friends slipped away to this retreat to enjoy its simple pleasures, — fresh cooked fish over an open fire — a long portage over wooded hills, — a try for bass at sunrise — and at day's end, the warm companionship of friends and lusty off-key renditions of "Sweet Violets."

In addition to his active interest in the Meadville Country Club, he was a longtime member of the Taylor Hose Company and the Iroquois Boating and Fishing Club. He was a regular participant during the lunch hour in the card games at the Taylor Hose and seldom missed the camaraderie of that institution.

Mr. Thomas served for many years as an incorporator and on the Board of Trustees at Spencer Hospital. At the time of his death he was the Dean of the Board of Incorporators of the Hospital and he devoted long hours of service to that institution over the many years that he served as a member of the Board. In addition he was a member of the American Legion and of many Masonic bodies including the Zem Zem Temple of the Nobles of the Mystic Shrine.

Continued on next page

He was an active member of the Crawford County, Pennsylvania, and American Bar Associations and served as the President of the Crawford County Bar Association in the years 1950 and 1951.

Mr. Thomas was a thorough, well-informed and well-thought of lawyer. His brethern of the Bar often turned to him for advice on their own difficult legal problems and he was always more than willing to give advice and counsel, particularly to the younger members of the Bar. During his years of active practice he was renowned as an early bird. He usually got to the office long before the secretaries or his partners and would have much of his work done before the phone started ringing and the interruptions began. For nearly fifty years, he practiced at the same large double desk, first, opposite his father, and later opposite his son. It is a tribute to his even temper and his ability to get along with others that he was able to practice in such an intimate way seated on opposite sides of a large desk with his partners for so many years without serious problems. In 1966 his law firm moved from the second floor of the Northwest Bank Building where Mr. Thomas had practiced for so many years, to larger more modern and more spacious quarters on the sixth floor of the same building. While Mr. Thomas made the move with grace, we who knew him are sure that he would have been happier completing the years of his practice in the same room where he started at the big old double desk.

Mr. Thomas will long be remembered by the members of this Bar and the people of Meadville and Crawford County. He was a fine man, an excellent lawyer, a loving husband and father, a public spirited citizen and one who spoke his mind on issues of the day without fear or favor. The Bar of Crawford County wishes to express its sorrow individually and collectively at the passing of Paul E. Thomas and to extend our sympathies to his family. We ask that this report be spread at length upon the records of this Court and that a copy hereof be submitted to his family and to the press.

Respectfully submitted,
