TO LOCATE NAMES IN INDEX

Determine first key-letter following initial letter in Family Name. Find section number in the column headed by said key-letter, opposite given name initial desired. Names not containing a key-letter after the initial letter in Family Name, will be located under "Misc." Corporations, etc., will be located under the first key-letter following the initial letter in the first word of the name, or if no key-letter, under "Misc." Always omit the article "The."
